Contractor Certification

Step 4 of 6

*Liability Certification

I certify that I do not have any delinquent liability to an employee or the state for any assessment of back wages or related damages, interest, fines, or penalties pursuant to any final judgment, order, or determination by a court or any federal, state, or local administrative agency, including a confirmed arbitration award.

Note: Does not include any liabilities where the appeal period has not expired or any liabilities under appeal.

Yes No

*Debarment Certification

I certify that the contractor is not currently debarred under Section 1777.1 or under any other federal or state law providing for the debarment of contractors from public works.

Yes No

*Lapse in Registration Certification

Section 1725.5 requires all contractors, as defined by California Labor Code section 1722.1, to be registered prior to bidding on public works projects on or after March 1, 2015, or for all public works projects awarded on or after April 1, 2015. Have you bid on a public works project after March 1, 2015, or were you awarded a public works project after April 1, 2015, without first being registered with the Department of Industrial Relations?

Yes No If you answered yes to the question above, you may register with the Department of Industrial Relations (DIR); however, you will be subject to fees and penalties pursuant to Labor Code section 1725.5. Note, Labor Code section 1771.1(c)(2) provides you an opportunity to rectify the noncompliance of bidding without DIR registration by paying all fees and penalties within 24 hours from bid opening and being able to meet the minimum qualifications. You will be required to pay by credit card in order to meet this 24 hour timeframe. No other form of payment can be processed within 24 hours.

*Was the Failure Inadvertent?

Yes No

*CSLB Certification

I certify, where applicable, the contractor is licensed in accordance with Chapter 9 (commencing with Section 7000) of the Business and Professions Code CSLB.
