1 **EXHIBIT “D” – “DISADVANTAGED BUSINESS ENTERPRISES (DBE) PARTICIPATION”**

2 A. This contract is subject to 49 CFR, Part 26 entitled “Participation by Disadvantaged Business
3 Enterprises in Department of Transportation Financial Assistance Programs.” Consultants who obtain
4 DBE participation on this contract will assist Caltrans in meeting its federally mandated statewide
5 overall DBE goal.

6 B. The goal for DBE participation for this contract is _____%. If applicable, participation by
7 DBE consultant or subconsultants shall be in accordance with information contained in the form
8 entitled, “Consultant Proposal DBE Commitment” (Exhibit 10-O1, of the LAPM), or in the form
9 entitled, “Consultant Contract DBE Information” (Exhibit 10-O2, of the LAPM), attached hereto and
10 incorporated as part of the Contract. If a DBE subconsultant is unable to perform, CONSULTANT
11 must make a good faith effort to replace him/her with another DBE subconsultant, if the goal is not
12 otherwise met.

13 C. DBEs and other small businesses, as defined in 49 CFR, Part 26 are encouraged to participate
14 in the performance of contracts financed in whole or in part with federal funds. CONSULTANT or
15 subconsultant shall not discriminate on the basis of race, color, national origin, or sex in the
16 performance of this contract. CONSULTANT shall carry out applicable requirements of 49 CFR, Part
17 26 in the award and administration of US DOT-assisted agreements. Failure by CONSULTANT to
18 carry out these requirements is a material breach of this contract, which may result in the termination
19 of this contract or such other remedy as LOCAL AGENCY deems appropriate.

20 D. Any subcontract entered into as a result of this contract shall contain all of the provisions of
21 this section.
22

23 E. A DBE firm may be terminated only with prior written approval from LOCAL AGENCY and
24 only for the reasons specified in 49 CFR 26.53(f). Prior to requesting LOCAL AGENCY consent for
25 the termination, CONSULTANT must meet the procedural requirements specified in 49 CFR 26.53(f).
26

27 F. A DBE performs a Commercially Useful Function (CUF) when it is responsible for execution
28 of the work of the contract and is carrying out its responsibilities by actually performing, managing,

1 and supervising the work involved. To perform a CUF, the DBE must also be responsible with respect
2 to materials and supplies used on the contract, for negotiating price, determining quality and quantity,
3 ordering the material, and installing (where applicable) and paying for the material itself. To
4 determine whether a DBE is performing a CUF, evaluate the amount of work subcontracted, industry
5 practices, whether the amount the firm is to be paid under the, contract is commensurate with the work
6 it is actually performing, and other relevant factors.

7 G. A DBE does not perform a CUF if its role is limited to that of an extra participant in a
8 transaction, contract, or project through which funds are passed in order to obtain the appearance of
9 DBE participation. In determining whether a DBE is such an extra participant, examine similar
10 transactions, particularly those in which DBEs do not participate.

11 H. If a DBE does not perform or exercise responsibility for at least thirty percent (30%) of the
12 total cost of its contract with its own work force, or the DBE subcontracts a greater portion of the work
13 of the contract than would be expected on the basis of normal industry practice for the type of work
14 involved, it will be presumed that it is not performing a CUF.

15 I. CONSULTANT shall maintain records of materials purchased or supplied from all
16 subcontracts entered into with certified DBEs. The records shall show the name and business address
17 of each DBE or vendor and the total dollar amount actually paid each DBE or vendor, regardless of
18 tier. The records shall show the date of payment and the total dollar figure paid to all firms. DBE
19 prime consultants shall also show the date of work performed by their own forces along with the
20 corresponding dollar value of the work.

21 J. If applicable, upon completion of the Contract, a summary of these records shall be prepared
22 and submitted on the form entitled, "Final Report-Utilization of Disadvantaged Business Enterprise
23 (DBE) and First-Tier Subcontractors" CEM-2402F (Exhibit 17-F, of the LAPM), certified correct by
24 CONSULTANT or CONSULTANT's authorized representative and shall be furnished to the Contract
25 Administrator with the final invoice. Failure to provide the summary of DBE payments with the final
26 invoice will result in twenty-five percent (25%) of the dollar value of the invoice being withheld from
27 payment until the form is submitted. The amount will be returned to CONSULTANT when a
28

1 satisfactory “Final Report-Utilization of Disadvantaged Business Enterprises (DBE) and First-Tier
2 Subcontractors” form is submitted to the Contract Administrator.

3 K. If a DBE subconsultant is decertified during the life of the contract, the decertified
4 subconsultant shall notify CONSULTANT in writing with the date of decertification. If a
5 subconsultant becomes a certified DBE during the life of the Contract, the subconsultant shall notify
6 CONSULTANT in writing with the date of certification. Any changes should be reported to LOCAL
7 AGENCY’s Contract Administrator within 30 days.

Prompt Payment of Withheld Funds to
Subcontractors

Federal regulation (49 CFR 26.29) requires one of the following three methods be used in federal-aid contracts to ensure prompt and full payment of any retainage kept by the prime contractor or subcontractor to a subcontractor.

Please check the box of the method chosen by the local agency to ensure prompt and full payment of any retainage.

- Method 1:** No retainage will be held by the agency from progress payments due to the prime contractor. Prime contractors and subcontractors are prohibited from holding retainage from subcontractors. Any delay or postponement of payment may take place only for good cause and with the agency's prior written approval. Any violation of these provisions shall subject the violating contractor or subcontractor to the penalties, sanctions, and other remedies specified in Section 7108.5 of the California Business and Professions Code. This requirement shall not be construed to limit or impair any contractual, administrative or judicial remedies, otherwise available to the contractor or subcontractor in the event of a dispute involving late payment or nonpayment by the contractor, deficient subcontractor performance and/or noncompliance by a subcontractor. This clause applies to both DBE and non-DBE subcontractors.

- Method 2:** No retainage will be held by the agency from progress payments due to the prime contractor. Any retainage kept by the prime contractor or by a subcontractor must be paid in full to the earning subcontractor in 30 days after the subcontractor's work is satisfactorily completed. Any delay or postponement of payment may take place only for good cause and with the agency's prior written approval. Any violation of these provisions shall subject the violating contractor or subcontractor to the penalties, sanctions, and remedies specified in Section 7108.5 of the California Business and Professions Code. This requirement shall not be construed to limit or impair any contractual, administrative or judicial remedies, otherwise available to the contractor or subcontractor in the event of a dispute involving late payment or nonpayment by the contractor, deficient subcontractor performance and/or noncompliance by a subcontractor. This clause applies to both DBE and non-DBE subcontractors.

- Method 3:** The agency shall hold retainage from the prime contractor and shall make prompt and regular incremental acceptances of portions, as determined by the agency of the contract work and pay retainage to the prime contractor based on these acceptances. The prime contractor or subcontractor shall return all monies withheld in retention from all subcontractors within 30 days after receiving payment for work satisfactorily completed and accepted including incremental acceptances of portions of the contract work by the agency. Any delay or postponement of payment may take place only for good cause and with the agency's prior written approval. Any violation of these provisions shall subject the violating prime contractor to the penalties, sanctions, and other remedies specified in Section 7108.5 of the California Business and Professions Code. This requirement shall not be construed to limit or impair any contractual, administrative or judicial remedies otherwise available to the contractor or subcontractor in the event of a dispute involving late payment or nonpayment by the contractor; deficient subcontractor performance and/or noncompliance by a subcontractor. This clause applies to both DBE and non-DBE subcontractors.

Race Neutral Details

Attachment B

RECIPIENT must meet the maximum feasible portion of its AADPL by using race neutral means of facilitating DBE participation. Race neutral DBE participation includes any time a DBE wins a prime contract through customary competitive procurement procedures, is awarded a subcontract on a prime contract that does not carry a DBE goal, or even if there is a DBE goal, wins a subcontract from a prime contractor that did not consider its DBE status in making the award (e.g., a prime contractor that uses a strict low-bid system to award subcontracts).

Race neutral means include, but are not limited to, the following:

1. Arranging solicitations, times for the presentation of bids, quantities, specifications, and delivery schedules in ways that facilitate DBE, and other small businesses, participation (e.g., unbundling large contracts to make them more accessible to small businesses, requiring or encouraging prime contractors to subcontract portions of work that they might otherwise perform with their own forces);
2. Providing assistance in overcoming limitations such as inability to obtain bonding or financing (e. g., by such means as simplifying the bonding process, reducing bonding requirements, eliminating the impact of surety costs from bids, and providing services to help DBEs, and other small businesses, obtain bonding and financing);
3. Providing technical assistance and other services;
4. Carrying out information and communication programs on contracting procedures and specific contract opportunities (e. g., ensuring the inclusion of DBEs and other small businesses on recipient mailing lists of bidders; ensuring the dissemination to bidders on prime contacts of potential subcontractors; provision of information in languages other than English, where appropriate);
5. Implementing a supportive services program to develop and improve immediate and long-term business management, record keeping, and financial and accounting capability for DBEs and other small businesses;
6. Providing services to help DBEs and other small businesses improve long-term development, increase opportunities to participate in a variety of types of work, handle increasingly significant projects; and achieve eventual self-sufficiency;
7. Establishing a program to assist new, start-up firms, particularly in fields in which DBE participation has historically been low;
8. Ensuring distribution of your DBE directory through print and electronic means to the widest feasible universe of potential prime contractors; and
9. Assisting DBEs and other small businesses to develop their capability to utilize emerging technology and conduct business through electronic media.

ATTACHMENT C

Prompt Progress Payment to Subcontractors

Attachment C

PROMPT PROGRESS PAYMENT TO SUBCONTRACTORS

A prime contractor or subcontractor shall pay to any subcontractor not later than 10 days of receipt of each progress payment in accordance with the provision in section 7108.5 of the California Business and Professions Code concerning prompt payment to subcontractors. The 10 days is applicable unless a longer period is agreed to in writing. Any violation of Section 7108.5 shall subject the violating contractor or subcontractor to the penalties, sanctions and other remedies of that Section, up to and including a penalty, payable to the subcontractor, of 2 percent of the amount due per month, for every month that payment is not made as required under that subdivision. Federal regulation (49 CFR 26.29) requires that any delay or postponement of payment over 30 days of receipt of each payment may take place only for good cause and with the agency's prior written approval. These requirements shall not be construed to limit or impair any contractual, administrative, or judicial remedies otherwise, available to the prime contractor or subcontractor in the event of a dispute involving late payment, or nonpayment by the prime contractor, deficient subcontract performance, or noncompliance by a subcontractor. This provision applies to both DBE and non-DBE prime contractors and subcontractors.

OR

The Agency has not established a goal for this Contract. However, proposers are encouraged to obtain DBE participation for this contract.

1. TERMS AS USED IN THIS DOCUMENT

- The term “Disadvantaged Business Enterprise” or “DBE” means a for-profit small business concern owned and controlled by a socially and economically disadvantaged person(s) as defined in Title 49, Code of Federal Regulations (CFR), Part 26.5.
- The term “Agreement” also means “Contract.”
- Agency also means the local entity entering into this contract with the Contractor or Consultant.
- The term “Small Business” or “SB” is as defined in 49 CFR 26.65.

2. AUTHORITY AND RESPONSIBILITY

- A. DBEs and other small businesses are strongly encouraged to participate in the performance of Contracts financed in whole or in part with federal funds (See 49 CFR 26, “Participation by Disadvantaged Business Enterprises in Department of Transportation Financial Assistance Programs”). The Consultant must ensure that DBEs and other small businesses have the opportunity to participate in the performance of the work that is the subject of this solicitation and should take all necessary and reasonable steps for this assurance. The proposer must not discriminate on the basis of race, color, national origin, or sex in the award and performance of subcontracts.
- B. Proposers are encouraged to use services offered by financial institutions owned and controlled by DBEs.

3. SUBMISSION OF DBE INFORMATION

If there is a DBE goal on the contract, Exhibit 10-O1 *Consultant Proposal DBE Commitment* must be included in the Request for Proposal. In order for a proposer to be considered responsible and responsive, the proposer must make good faith efforts to meet the goal established for the contract. If the goal is not met, the proposer must document adequate good faith efforts. All DBE participation will be counted towards the contract goal; therefore, all DBE participation shall be collected and reported.

Exhibit 10-O2 *Consultant Contract DBE Information* must be included with the Request for Proposal. Even if no DBE participation will be reported, the successful proposer must execute and return the form.

4. DBE PARTICIPATION GENERAL INFORMATION

It is the proposer’s responsibility to be fully informed regarding the requirements of 49 CFR, Part 26, and the Department’s DBE program developed pursuant to the regulations. Particular attention is directed to the following:

- A. A DBE must be a small business firm defined pursuant to 13 CFR 121 and be certified through the California Unified Certification Program (CUCP).

- B. A certified DBE may participate as a prime consultant, subconsultant, joint venture partner, as a vendor of material or supplies, or as a trucking company.
- C. A DBE proposer not proposing as a joint venture with a non-DBE, will be required to document one or a combination of the following:
 - 1. The proposer is a DBE and will meet the goal by performing work with its own forces.
 - 2. The proposer will meet the goal through work performed by DBE subconsultants, suppliers or trucking companies.
 - 3. The proposer, prior to proposing, made adequate good faith efforts to meet the goal.
- D. A DBE joint venture partner must be responsible for specific contract items of work or clearly defined portions thereof. Responsibility means actually performing, managing, and supervising the work with its own forces. The DBE joint venture partner must share in the capital contribution, control, management, risks and profits of the joint venture commensurate with its ownership interest.
- E. A DBE must perform a commercially useful function pursuant to 49 CFR 26.55, that is, a DBE firm must be responsible for the execution of a distinct element of the work and must carry out its responsibility by actually performing, managing and supervising the work.
- F. The proposer shall list only one subconsultant for each portion of work as defined in their proposal and all DBE subconsultants should be listed in the bid/cost proposal list of subconsultants.
- G. A prime consultant who is a certified DBE is eligible to claim all of the work in the Contract toward the DBE participation except that portion of the work to be performed by non-DBE subconsultants.

5. RESOURCES

- A. The CUCP database includes the certified DBEs from all certifying agencies participating in the CUCP. If you believe a firm is certified that cannot be located on the database, please contact the Caltrans Office of Certification toll free number 1-866-810-6346 for assistance.
- B. Access the CUCP database from the Department of Transportation, Office of Business and Economic Opportunity Web site at: <http://www.dot.ca.gov/hq/bep/>.

 - 2. Click on Search for a DBE Firm link;
 - 3. Click on *Access to the DBE Query Form* located on the first line in the center of the page.

Searches can be performed by one or more criteria. Follow instructions on the screen.

6. MATERIALS OR SUPPLIES PURCHASED FROM DBES COUNT TOWARDS THE DBE GOAL UNDER THE FOLLOWING CONDITIONS:

- A. If the materials or supplies are obtained from a DBE manufacturer, count 100 percent of the cost of the materials or supplies. A DBE manufacturer is a firm that operates or maintains a factory, or establishment that produces on the premises the materials, supplies, articles, or equipment required under the Contract and of the general character described by the specifications.
- B. If the materials or supplies purchased from a DBE regular dealer, count 60 percent of the cost of the materials or supplies. A DBE regular dealer is a firm that owns, operates or maintains a store, warehouse, or other establishment in which the materials, supplies, articles or equipment of the general character described by the specifications and required under the Contract are bought, kept in stock, and regularly sold or leased to the public in the usual course of business. To be a DBE regular dealer, the firm must be an established, regular business that engages, as its principal business and under its own name, in the

purchase and sale or lease of the products in question. A person may be a DBE regular dealer in such bulk items as petroleum products, steel, cement, gravel, stone or asphalt without owning, operating or maintaining a place of business provided in this section.

- C. If the person both owns and operates distribution equipment for the products, any supplementing of regular dealers' own distribution equipment shall be, by a long-term lease agreement and not an ad hoc or Agreement-by-Agreement basis. Packagers, brokers, manufacturers' representatives, or other persons who arrange or expedite transactions are not DBE regular dealers within the meaning of this section.
- D. Materials or supplies purchased from a DBE, which is neither a manufacturer nor a regular dealer, will be limited to the entire amount of fees or commissions charged for assistance in the procurement of the materials and supplies, or fees or transportation charges for the delivery of materials or supplies required on the job site, provided the fees are reasonable and not excessive as compared with fees charged for similar services.
