SPECIAL NOTICE

Pursuant to the requirements of Senate Bill 854 and California Labor Code section 1725.5, all contractors and subcontractors that wish to engage in public work through a public works contract must first register with the Department of Industrial Relation and pay all applicable fees.

Beginning March 1, 2015, no contractor or subcontractor may be listed on a bid proposal for a public works project unless registered with the Department of Industrial Relations, pursuant to Labor Code section 1725.5 (with limited exceptions from this requirement for bid purposes only under Labor Code section 1771.1(a)).

Beginning April 1, 2015, no contractor or subcontractor may be awarded a contract for public work on a public works project unless registered with the Department of Industrial Relations, pursuant to Labor Code section 1725.5.

This Project is subject to compliance monitoring and enforcement by the Department of Industrial Relations.

For more information concerning Senate Bill 854 compliance, please visit: <http://www.dir.ca.gov/Public-Works/SB854.html>.

PUBLIC WORKS REFORMS (SB 854) FACT SHEET

Public works reforms (SB 854) were signed into law on June 20, 2014. The reforms made several significant changes to the administration and enforcement of prevailing wage requirements by the Department of Industrial Relations (DIR). Among other things, SB 854 established a public works contractor registration program to replace prior Compliance Monitoring Unit (CMU) and Labor Compliance Program (LCP) requirements for bond-funded and other specified public works projects. The fees collected through the program established by SB 854 are used to fund DIR's public works activities.

Essentials of public works contractor registration program:

- Contractors are subject to a registration and annual renewal fee set at \$400. This fee is non-refundable and applies to all contractors and subcontractors who intend to bid or perform work on public works projects (as defined under the Labor Code).
- Contractors apply and pay the fee online and must meet minimum qualifications to be registered as eligible to bid and work on public works projects:
 - Must have workers' compensation coverage for any employees and only use subcontractors who are registered public works contractors.
 - Must have Contractors State License Board license if applicable to trade.
 - Must not have any delinquent unpaid wage or penalty assessments owed to any employee or enforcement agency.
 - Must not be under federal or state debarment.
 - Must not be in prior violation of this registration requirement once it becomes effective. However, for the first violation in a 12-month period, a contractor may still qualify for registration by paying an additional penalty.
- The registration fee is not related to any project. It is more like a license that enables the registrant to bid on and perform public works.
- DIR provides a searchable database of registered contractors and subcontractors on its website, so that awarding bodies and contractors can comply with the requirement to only use registered contractors and subcontractors.
- Various protections are built in so that
 - A contractor won't be in violation for working on a private job that is later determined to be public work;
 - The inadvertent listing of an unregistered subcontractor on a bid doesn't necessarily invalidate that bid;
 - A contract with an unregistered contractor or subcontractor is subject to cancellation but is not void as to past work;
 - An unregistered contractor or subcontractor can be replaced with one who is registered;
 - A contractor whose registration lapses will have a 90-day grace period within which to pay a late fee and renew.
- Contractors and subcontractors register online. The preferred method of payment is by credit card.

- The requirement to list only registered contractors and subcontractors on bids became effective on March 1, 2015. The requirement to only use registered contractors and subcontractors on public works projects applies to all projects awarded on or after April 1, 2015.

Essentials of Public Works Enforcement Fund:

All contractor registration fees go into the State Public Works Enforcement Fund and are used to fund the following items:

- Administration of contractor registration requirement;
- All DIR costs for administering and enforcing public works laws;
- Labor Commissioner's enforcement of other Labor Code violations on monitored public works projects.

DIR no longer charges awarding bodies for prevailing wage compliance monitoring and enforcement on legacy CMU projects.

Related changes in DIR's administration and enforcement of public works requirements:

- Requirements to use CMU or specified alternative (labor compliance program or project labor agreement) for state bond-funded and other specified projects were eliminated and replaced by requirements that apply to *all* public works projects (as defined under the Labor Code).
- Awarding bodies are required to submit PWC-100 (contract award notice) for all public works projects.
- Contractors and subcontractors on *all* public works projects are required to submit certified payroll records (CPRs) to the Labor Commissioner unless excused from this requirement.
 - CPRs are furnished to the Labor Commissioner online
 - This requirement phases in as follows:
 - Applied to public works projects that had been under CMU monitoring;
 - Applies to any new projects awarded on or after April 1, 2015;
 - May apply to other projects as determined by Labor Commissioner;
 - Applies to *all* public works projects, (except those listed under Exemptions just below), on and after January 1, 2016.
 - **Exemptions:** As of April 1, 2015, and even after January 1, 2016, the following projects are exempt from the requirement to have contractors and subcontractors furnish certified payroll records (CPRs) to the Labor Commissioner:

Small Project Exemption

Contractors who work exclusively on small public works projects are not required to register as a public works contractor or file electronic certified payroll reports for those projects. Contractors are still required to maintain certified payroll records on a continuous basis, and provide them to the Labor

Commissioner's Office upon request. Additionally, awarding agencies are not required to submit the notice of contract award through DIR's PWC-100 system on projects that fall within the small project exemption. The small project exemption applies for all public works projects that do not exceed:

- \$25,000 for new construction, alteration, installation, demolition or repair
- \$15,000 for maintenance

Any projects monitored and enforced by the following legacy LCPs:

- California Department of Transportation (Caltrans)
- City of Los Angeles
- Los Angeles Unified School District
- County of Sacramento

Projects covered by qualifying project labor agreements, at the Labor Commissioner's discretion.

- Requirements for awarding bodies to adopt and enforce a DIR-approved LCP are now limited to: (1) ongoing public works projects awarded prior to January 1, 2012, that were under a pre-existing LCP requirement (see the four legacy LCPs listed above) and (2) projects funded in whole or in part by Proposition 84.

INFORMATION FOR BIDDERS

1. Preparation of Bid Form. COUNTY invites bids on the form attached to be submitted at such time and place as is stated in the form *Notice to Contractors Calling for Bids*. All blanks in the bid form must be appropriately completed, and all prices must be stated in both words and figures. All bids must be submitted in sealed envelopes bearing on the outside the name of the bidder, the bidder's address, and the name of the project for which the bid is submitted. It is the sole responsibility of the bidder to see that the bid is received by COUNTY prior to the date and time specified for opening bids. Any bid received after the scheduled closing time for receipt of bids will be returned to the bidder unopened.
2. Bid Security. Each bid shall be accompanied by a certified or cashier's check payable to COUNTY or a satisfactory bid bond in favor of COUNTY executed by the bidder as principal and a satisfactory surety company as surety, in an amount not less than ten percent (10%) of the maximum amount of the bid. The check or bid bond shall be given as guarantee that the bidder shall execute the contract if it be awarded to it in conformity with the contract documents and shall provide the surety bond or bonds as specified therein within ten (10) days after notification of the award of the contract to the bidder.
3. Signature. The bid must be signed in the name of the bidder and must bear the signature in longhand of the person or persons duly authorized to sign the bid.
4. Modifications. Changes in or additions to the bid form, recapitulations of the work bid upon, alternative proposals, or any other modification of the bid form which is not specifically called for in the contract documents may result in COUNTY's rejection of the bid as not being responsive to the invitation to bid. No oral or telephonic modification may be considered.

Any proposed modifications of a bidder's bid must be in writing and received by COUNTY prior to the date and time specified for opening bids.
5. Erasures. The bid submitted must not contain any erasures, interlineations, or other corrections unless each such correction is suitably authenticated by affixing in the margin immediately opposite the correction and the surname, or surnames of the person or persons signing the bid.
6. Examination of Site and Contract Documents. Each bidder shall visit the site of the proposed work and fully acquaint itself with the conditions relating to the construction and labor so that it may fully understand the facilities, difficulties and restrictions attending the execution of the work under the contract. Bidders shall thoroughly examine and be familiar with the drawings and specifications. The failure or omission of any bidder to receive or examine any contract documents, form, instrument, addendum or other document, or to visit the site and acquaint itself with conditions there existing, shall in no way relieve any bidder from obligations with respect to its bid or to the contract. The submission of a bid shall be taken as *prima facie* evidence of compliance with this section.
7. Withdrawal of Bids. Any bidder may withdraw its bid either personally, by written request, or by telegraphic request confirmed in the manner specified above at any time prior to the scheduled closing time for receipt of bids.

8. Relief from Mistake in Bid. The attention of bidders is called to Public Contracts Code sections 5100 to 5104, particularly the requirements of section 5103 which requires that grounds for relief from a mistaken bid require written notice to the public entity within five (5) working days after the opening of the bids of mistake and such notice shall detail how the mistake occurred. Please note that a bidder shall not be relieved of its bid unless the elements of Public Contract Code section 5103 are met and the written consent of COUNTY is obtained and/or by order of a court of competent jurisdiction.

9. Agreements and Bonds. The agreement form which the successful bidder, as Contractor, will be required to execute, and the forms and amounts of the surety bonds which it will be required to furnish at the time of execution of the agreements, are included in the contract documents and should be carefully examined by the bidder. The required number of executed copies of the *Agreement*, the *Performance Bond*, and the *Payment Bond* for County Projects is as specified in the *Special Conditions*.

10. Interpretation of Plans and Documents. If any person contemplating submitting a bid for the proposed contract is in doubt as to the true meaning of any part of the drawings, specifications or other contract documents, or finds discrepancies in or omissions from the drawings and specifications, he or she shall submit to COUNTY a written request for an interpretation or correction thereof no less than ten (10) days prior to the bid opening. The person submitting the request will be responsible for its prompt delivery. Any interpretations or correction of the contract documents will be made only by addendum duly issued, and a copy of such addendum will be mailed or delivered to each person receiving a set of the contract documents. No oral interpretation of any provision in the contract documents will be made to any bidder. The interpretation of Plans and documents upon bid award shall be addressed in accordance with Article 2 of the "General Conditions."

11. Bidders Interested in More Than One Bid. No person, firm, or corporation shall be allowed to make, or file, or be interested in more than one bid for the same work unless alternate bids are specifically called for. A person, firm, or corporation that has submitted a sub-proposal to a bidder, or that has quoted prices of materials to a bidder, is not thereby disqualified from submitting a sub-proposal or quoting prices to other bidders or make a prime proposal.

12. Award of Contract. COUNTY reserves the right to reject any or all bids, or to waive any irregularities or informalities in any bids or in the bidding. The award of the contract, if made by COUNTY, will be to the lowest responsible bidder therefore. Award of the contract may be on **March 2021 (Tentative)** and an Agreement shall be presented to the successful bidder at that time. Successful bidder shall then have ten (10) days to execute the Agreement and provide all payment and performance bonds required for this project. Please note that a posted tabulation may be a preliminary tabulation which has not been reviewed for responsiveness and responsibility. It is possible that the lowest bidder will not be awarded the contract because of non-responsiveness or non-responsibility.

13. Alternates. If alternate bids are called for, the contract may be awarded at the election of the governing board to the lowest responsible bidder on the base bid, or on the base bid and any alternate or combination of alternates.

14. Bidder Contact Information. The bidder shall submit complete name, address and phone listings, (including fax), and contact person at bidder's company, provide a complete list of all personnel, subcontractors, and other agencies that will be assigned to this project and the responsibility that each will have.

15. Listing Subcontractors. Each bidder shall submit with its sealed bid a list of the proposed subcontractors on this project as required by the Subletting and Subcontracting Fair Practices Act (Pub. Cont. Code, § 4100, et seq.). Forms for this purpose are furnished with the contract documents.

16. Workers Compensation and Prevailing Wage Compliance.

16.1 Workers Compensation. In accordance with the provisions of Labor Code section 3700 *et. seq.* Contractor shall secure the payment of compensation to its employees. Contractor shall sign and file with COUNTY the following certificates prior to performing the work under this contract: "I am aware of the provisions of section 3700 of Labor Code which require every employer to be insured against liability for workers compensation or to undertake self-insurance in accordance with the provisions of that code, and I will comply with such provisions before commencing the performance of the work of this contract." The form of such certificate is included as a part of the contract documents.

16.2 Prevailing Wage Compliance. Contractor and its subcontractors shall pay all workers employed on the Project the rates determined by the Director of the California Department of Industrial Relations (DIR). Copies of the State prevailing rate of per diem wages are on file with the Department of Industrial Relations, Division of Apprenticeship Standards, 445 Golden Gate Avenue, San Francisco, California, and at COUNTY's Department of Public Works, and are available to Contractor and any other interested party upon request. Contractor shall post the prevailing rate of per diem wages to be posted at the Project site.

16.3 For those Projects subject to Department of Industrial Relations (DIR) Monitoring and Enforcement, be advised that the Contractor is responsible for submitting certified payroll records directly to the State Compliance Monitoring Unit (CMU). CMU is a new component within the State Division of Labor Standards Enforcement (DLSE) that was created to monitor and enforce prevailing wage requirements on public works projects that receive state bond funding and on other projects that are legally required to use the CMU. The CMU began operations on January 1, 2012, following the recent adoption of AB 436 and approval of revisions to program regulations. By actively monitoring compliance on an ongoing basis while work is being performed, the CMU will play a special role in ensuring that public works construction workers are promptly paid the proper prevailing wage rates and in helping maintain a level playing field for contractors who comply with the law.

Effective Date and Applicability: The laws and regulations that govern the new program are effective January 1, 2012. Only projects for which the public works contract is awarded on or after January 1, 2012 are subject to the CMU

requirements. For further information concerning compliance monitoring please visit the website located at: <http://www.dir.ca.gov/dlse/cmu/cmu.html>

17. Substitution of Security. Contractors may substitute securities in place of retained funds withheld by COUNTY in accordance with the provisions of Cal. Pub. Contract Code section 22300.

GENERAL CONDITIONS

Article 1. DEFINITIONS

- (a) COUNTY and Contractor are those mentioned as such in the Agreement. They are treated throughout the Agreement as if they are of singular number and neuter gender.
- (b) Subcontractor, as used herein, includes those having direct contract with Contractor and one who furnishes material work to a special design according to plans and specifications of this work, but does not include one who merely furnishes material not so worked.
- (c) Surety is the person, firm, or corporation that executes as surety the *Contractor's Performance Bond and Payment Bond for the Public Works*.
- (d) Provide shall include "provide complete in place," that is, "furnish and install."
- (e) As Shown, As Indicated, As Detailed, refer to drawings accompanying these specifications.
- (f) Work of the Contractor or subcontractor includes labor or materials, or both.

Article 2. DRAWINGS AND SPECIFICATIONS

Contract Documents are complementary, and what is called for by one shall be as binding as if called for by all. The intention of documents is to include all labor and materials, equipment, and transportation necessary for the proper execution of work. Materials or work described in words which so apply have a well-known technical or trade meaning, and shall be deemed to refer to such recognized standards.

Interpretations. Figured dimensions on drawings shall govern, but work not dimensioned shall be as directed. Work not particularly shown or specified shall be the same as similar parts that are shown or specified. Large-scale details shall take precedence over smaller scaled drawings as to shape and details of construction. Specifications shall govern as to materials, workmanship, and installation procedures. Drawings and specifications are intended to be fully cooperative and to agree. However, if Contractor observes that drawings and specifications are in conflict, it shall promptly notify the Architect in writing, and any necessary changes shall be adjusted as provided in the contract for changes in work.

Misunderstanding of drawings and specifications shall be clarified by the Architect, whose decision shall be final.

Standards, Rules, and Regulations referred to are recognized printed standards, and shall be considered as one and a part of these specifications within limits specified.

Article 3. COPIES FURNISHED

Contractor will be furnished, free of charge, copies of drawings and specifications as set forth in *Special Conditions*. Additional copies may be obtained at cost of reproduction.

Article 4. OWNERSHIP OF DRAWINGS

All drawings, specifications, and copies thereof furnished by COUNTY are its property. They are not to be used on other work, and, with exception of signed contract sets, are to be returned to COUNTY on request at completion of work.

Article 5. DETAIL DRAWINGS AND INSTRUCTIONS

(a) In case of ambiguity, conflict, or lack of information, Architect/Engineer shall furnish with reasonable promptness additional instructions, by means of drawings or otherwise, necessary for proper execution of work. All such drawings and instructions shall be consistent with contract documents, true developments thereof, and reasonably inferable therefrom.

(b) Work shall be executed in conformity therewith, and Contractor shall do no work without proper drawings and instructions.

Article 6. TIME FOR COMPLETION AND DAMAGES FOR DELAY

(a) The Parties recognize that time is of the essence of the Agreement and that COUNTY will suffer financial loss if the Work is not completed by the date set forth in paragraph 19.9 of the Information to Bidders section of this Agreement. The Parties also recognize the delays, expense and difficulties involved with proving in a legal proceeding the actual loss suffered by COUNTY if the Work is not completed on time. Accordingly, instead of requiring any such proof, the Parties agree that as damages for delay (but not as a penalty), Contractor shall pay COUNTY the sum of **six hundred sixty-eight dollars (\$668)** for each calendar day the Work remains uncompleted after the time specified in this article or any written extension, whichever is later. Contractor agrees that the damages are not manifestly unreasonable under the circumstances and agree that such sum is not intended as a penalty against Contractor.

Article 7. PROGRESS SCHEDULE

Immediately after being awarded contract, Contractor shall prepare an estimated progress schedule (using the Critical Path Method (CPM) through a software program selected by COUNTY but at Contractor's sole expense) and submit the schedule for COUNTY's approval. Schedule shall indicate graphically the beginning and completion dates of all phases of construction. An updated progress schedule shall be submitted to COUNTY on a monthly basis.

Article 8. CONTRACT SECURITY

Unless otherwise specified, Contractor shall furnish a surety bond in an amount equal to one hundred percent (100%) of the contract price as security for faithful performance of this contract, and shall furnish a separate bond in an amount equal to one hundred percent (100%) of the contract price as security for payment of persons performing labor and furnishing materials in connection with this contract. Aforesaid bonds shall be in form set forth in these contract documents. Upon request of Contractor, COUNTY will consider and accept multiple sureties on such bonds. COUNTY may reject at its discretion any bond issued by a surety that to COUNTY's satisfaction does not have a sufficient bond rating or history as a surety in the State of California to assure adequate security to COUNTY for the default of Contractor.

Article 9. ASSIGNMENT

Contractor shall not assign this contract or any part thereof without prior written consent of COUNTY. Any assignment of money due to or to become due under this contract shall be subject to a prior lien for services rendered or material supplied for performance of work called for under said contract in favor of all persons, firms, or corporations rendering such services or supplying such materials to the extent that claims are filed pursuant to the Civil Code, the Code of Civil Procedure, Public Contract Code and/or the Government Code.

Article 10. PROHIBITED INTERESTS

No official of COUNTY who is authorized in such capacity and on behalf of COUNTY to negotiate, make, accept or approve, or to take part in negotiating, making, accepting or approving, any architectural, engineering, inspection, construction, or material supply contract or any subcontract in connection with construction or project shall become directly or indirectly interested financially in this contract or in any part thereof. No officer, employee, architect, attorney, engineer, or inspector of or for COUNTY who is authorized in such capacity and on behalf of COUNTY to exercise any executive, supervisory, or other similar functions in connection with construction of project shall become directly or indirectly interested financially in this contract or in any part thereof.

Article 11. SEPARATE CONTRACTS

COUNTY reserves the right to let other contracts in connection with this work. Contractor shall afford other Contractors reasonable opportunity for introduction and storage of their materials and execution of their work and shall properly connect and coordinates its work with theirs.

If any part of Contractor's work depends for proper execution or results upon work of any other Contractor, the Contractor shall inspect and promptly report to Architect/Engineer any defects in such work that render it unsuitable for such proper execution and results. Contractor's failure so to inspect and report shall constitute its acceptance of other Contractor's work as fit and proper for reception of Contractor's work, except as to defects which may develop in other Contractor's work after execution of Contractor's work.

To ensure proper execution of its subsequent work, Contractor shall measure and inspect work already in place, and shall at once report to Architect any discrepancy between executed work and contract documents.

Contractor shall ascertain to its own satisfaction the scope of the project and nature of any other contracts that have been or may be awarded by COUNTY in prosecution of the project to the end that Contractor may perform its contract in the light of such other contracts, if any. Nothing herein contained shall be interpreted as granting to Contractor exclusive occupancy at site of project. Contractor shall not cause any unnecessary hindrance or delay to any other Contractor working on project. If simultaneous execution of any contract for the project is likely to cause interference with performance of some other contract or contracts, COUNTY shall decide which Contractor shall cease work temporarily and which Contractor shall continue or whether work can be coordinated so that Contractors may proceed simultaneously. COUNTY shall not be responsible for any damages suffered or extra costs incurred by Contractor resulting directly or indirectly from award or performance or attempted performance of any other contract or contracts on

project, or caused by any decision or omission of COUNTY respecting the order of precedence in performance of contracts.

Article 12. SUBCONTRACTING

(a) Contractor agrees to bind every subcontractor by terms of the contract as far as such terms are applicable to subcontractor's work. If Contractor shall subcontract any part of this contract, Contractor shall be as fully responsible to COUNTY for acts and omissions of Contractor's subcontractor and of persons either directly or indirectly employed by Contractor's subcontractor as it is for acts and omissions of persons directly employed by itself. Nothing contained in the contract documents shall create any contractual relation between any subcontractor and COUNTY.

(b) COUNTY's consent to or approval of any subcontractor under this contract shall not in any way relieve Contractor of its obligations under this contract, and no such consent or approval shall be deemed to waive any provision of this contract.

(c) Substitution or addition of subcontractors shall be permitted only as authorized by California Public Contract Code sections 4100, et seq.

(d) Contractor represents and warrants that it and its subcontractors are not ineligible to work for COUNTY due to violations of Labor Code sections 1777.1 and 1777.7.

Article 13. DEFAULTS & REMEDIES

(a) Default. In the event that (i) Contractor files a petition requesting relief under any bankruptcy act, or is adjudged as bankrupt, or makes a general assignment for the benefit of creditors or has a receiver appointed on account of its insolvency, or (ii) Contractor refuses or is unable, for whatever reason, to supply enough properly skilled workers or proper materials to complete the Project, or (iii) Contractor fails to follow the directions of COUNTY, or (iv) Contractor fails to make prompt payment to its subcontractors and suppliers for materials or labor supplied or permits any lien to be imposed upon all or any portion of the Project, or (v) Contractor disregards any laws or orders of any public or private authority having jurisdiction over the Work or the Project, or (vi) Contractor fails to perform in accordance with any of the terms of this Agreement or breaches any provision of this Agreement, COUNTY may give notice of such failure or breach to Contractor, identifying the failure or breach of this Agreement. Should any such failure or breach continue for twenty-four (24) hours after delivery of notice without a good faith effort on the part of Contractor to commence all necessary corrective action, or should such a breach continue despite Contractor's efforts for forty-eight (48) hours, then at that time such failure shall be deemed a default by Contractor under this Agreement and COUNTY shall have all rights and remedies available at law or in equity, including the right to terminate this Agreement. Without limiting its rights and remedies, COUNTY may then proceed as follows:

(1) Without terminating this Agreement or the obligations of Contractor hereunder as to all of the Work required to be performed or furnished by Contractor pursuant to this Agreement, COUNTY may require Contractor, at Contractor's expense, to cure such default(s) as may exist in the performance of Contractor's obligations hereunder within forty-eight (48) hours after such default(s) has/have occurred including but not limited to repairing, replacing, and correcting material or

Work determined by COUNTY to be defective or not complying with the requirements of this Agreement. Should Contractor fail to timely repair, replace, and/or correct non-complying or defective materials and workmanship or otherwise cure its default(s) hereunder, and in the case of emergencies in which case COUNTY may act immediately if Contractor is not available or is not responding, and without further notice, COUNTY may make required repairs, replacements and other corrections or otherwise remedy the default by Contractor pursuant to Paragraph (2) below.

(2) Without terminating this Agreement or the obligations of Contractor hereunder as to all of the Work required to be performed or furnished by Contractor pursuant to this Agreement, COUNTY may engage another contractor to perform such portion of Contractor's Work required pursuant to this Agreement or furnish any materials or other items required hereunder as COUNTY in its sole discretion may deem necessary to avoid delay in the progress of the Work, and in connection therewith, COUNTY may perform such Work or any portion thereof itself or have the same performed by others and COUNTY may procure all necessary materials, equipment or other items required for the continued progress of such Work. The costs incurred by COUNTY as a result of engaging another Contractor shall be deducted from the compensation payable pursuant to this Agreement and if COUNTY's costs exceed or may reasonably be anticipated to exceed the balance of the compensation due to Contractor for such work, such excess, or anticipated excess, shall be immediately due and owing from Contractor to COUNTY and may be withheld from any funds due to Contractor pursuant to this Agreement or any other agreement.

(3) COUNTY may terminate Contractor's right to perform upon written notice and COUNTY shall then have the option of completing the Work or any portion thereof by exercise of its interest under the performance bond issued in favor by Contractor, or having such Work in whole or in part be completed by others for Contractor's account. A calculation shall take place at the conclusion of the Project wherein to the degree the sum of COUNTY's costs and any amounts paid to complete the Project exceed the compensation payable pursuant to this Agreement, then any such excess shall be immediately due and owing from Contractor to COUNTY.

(b) Damages. Contractor shall be liable for all damages suffered by COUNTY by reason of Contractor's default in any provision of this Agreement and the exercise of COUNTY of its option to terminate this Agreement shall not release Contractor of such liability. Contractor shall have no right to receive any further payment after a default has occurred until such time as the Work to be performed by Contractor pursuant hereto has been completed and accepted by COUNTY and damages suffered by COUNTY, if any, ascertained. Damages shall include by way of illustration, but not of exclusion, COUNTY's costs of completing the Work which exceeds the compensation payable pursuant to this Agreement, other general, liquidated, special or consequential damages, attorney fees, and costs.

(c) Actions After Default. Should COUNTY exercise any of its options, remedies, or rights granted pursuant to the terms of this Agreement in the event of a default by

Contractor, COUNTY at its sole election may, but shall not be obligated to, use any materials, supplies, tools or equipment on the work site which belong to CONTRACTOR to complete the Work required to be completed by Contractor, whether such work is completed by COUNTY or by others, and Contractor agrees that it shall not remove such materials, supplies, tools and equipment from the work site unless directed in writing by COUNTY to do so.

(d) Limit on Force Majeure Damages. Contractor shall not be responsible for repairing or restoring damage to work caused by an act of God, provided that the work damaged is built in accordance with accepted and applicable building standards and the plans and specifications of COUNTY. In the event of such damage, COUNTY may, at its option, elect to terminate this Agreement. For purposes of this Agreement, an “act of God” shall be defined as an earthquake in excess of 3.5 on the Richter scale and a tidal wave.

(e) No Limitation of Rights. The options and rights granted to COUNTY herein shall not be deemed as limitations upon the other rights and remedies of COUNTY in the event of a failure of performance or breach by Contractor, and COUNTY shall be entitled to exercise the rights and remedies hereinabove specified and all other rights and remedies which may be provided in this Agreement or by law or in equity, either cumulatively or consecutively, and in such order as COUNTY in its sole discretion shall determine.

Article 14. WARRANTIES

(a) One-Year Warranty. Contractor agrees to provide a one-year warranty for all of its work and component parts and guarantees that all work shall be performed in a professional and workman-like manner and be free from defects. Contractor guarantees to timely correct all work performed by it under this Agreement which COUNTY determines to be defective in design, material, and/or workmanship within a period of one (1) year from the date of the completion of the Work. The warranties set forth in this Agreement shall be in addition to, and not in lieu of, all other statutory and case law warranties and obligations of Contractor. Contractor expressly agrees that all warranties made by Contractor, all obligations under this Agreement and all remedies for breach of such warranties shall survive this Agreement in the event it is terminated or expires for any reason prior to the running of the full warranty periods listed above.

Note: Product Warranty on specifications.

(b) Materials. All materials furnished by Contractor shall be new, manufactured during the current year, of first quality, and carrying full manufacturer’s warranty. Contractor shall be responsible for any expiration of manufacturer or other warranties of material or equipment being supplied for this Agreement. Contractor guarantees that all warranties of material and equipment shall become effective when the project is accepted by COUNTY’s Board of Supervisors, not at time of installation by Contractor.

(c) Manufacturers’ Warranty Information. Contractor agrees to promptly provide such information and maintenance recommendations to COUNTY at the inception of Contractor’s work to the extent such information is reasonably available. In the event of failure of Contractor to comply with above-mentioned conditions within one (1) week after being notified in writing, COUNTY is hereby authorized to proceed to have defects repaired and made good at expense of Contractor, who hereby agrees to pay costs and charges therefore immediately on demand.

Article 17. PREVAILING WAGE AND PAYROLL RECORDS

(a) Contractor agrees to comply with sections 1775 and 1776 of the California Labor Code relating to the payment of prevailing wage and the maintenance of certified payroll records and to make the certified payroll records available for inspection at all reasonable hours at Contractor's principal office. For those Public Works Projects that are subject to the State Department of Industrial Relations (DIR), Division of Labor Standards Enforcement (DLSE) compliance monitoring and enforcement it is the Contractor's responsibility to submit certified payroll records directly to the state Compliance Monitoring Unit (CMU). More information concerning state compliance can be found at <http://www.dir.ca.gov/dlse/cmu/cmu.html>. The responsibility for compliance with these provisions is fixed with Contractor. Contractor understands and agrees that it shall, as a penalty to COUNTY, forfeit specific monetary fines for each worker paid less than the prevailing wage rates as determined by the Labor Commissioner for the work or craft in which the worker is employed for any Work done pursuant to this Agreement.

(b) Notwithstanding paragraph (a), Contractor is not liable for any penalties pursuant to paragraph (a) when a subcontractor on the Project fails to pay its workers the general prevailing rate of per diem wages unless:

The responsibility for compliance with these provisions is fixed with Contractor for all apprenticeable occupations, where journeymen in the craft are employed on the public work, in a ratio of not less than one (1) apprentice for each five (5) journeymen (unless an exemption is granted in accordance with section 1777.5) and Contractor and its subcontractors shall not discriminate among otherwise qualified employees as indentured apprentices on any public work solely on the ground of race, religious creed, color, national origin, ancestry, sex, or age, except as provided in California Labor Code section 3077. Article 22. INSURANCE ENDORSEMENTS, CLAUSES, & INFORMATION

(a) The comprehensive/commercial general liability insurance shall contain a provision of endorsements stating that such insurance:

- (1) Includes contractual liability;
- (2) Does not contain a "pro rata" provision which looks to limit the insurer's liability to the total proportion that its policy limits bear to the total coverage available to the insured;

El Centro, CA 92243

Article 25. PERMITS AND LICENSES

Article 26. EASEMENTS

Easements for permanent structures or permanent changes in existing facilities shall be secured and paid for by COUNTY, unless otherwise specified.

Article 27. SURVEYS

Surveys to determine location of property lines and corners will be supplied by COUNTY. Surveys to determine locations of construction, grading, and site work shall be provided by Contractor.

Article 28. EXCISE TAXES

If under federal excise tax law any transaction hereunder constitutes a sale on which a federal excise tax is imposed and the sale is exempt from such excise tax because it is a sale to a state or local government for its exclusive use, COUNTY, upon request, will execute a certificate of exemption which will certify: (a) that COUNTY is a political subdivision of the state for the purpose of such exemption; and (b) that the sale is for the exclusive use of COUNTY. No excise tax for such materials shall be included in any bid price.

Article 29. PATENTS AND ROYALTIES

Contractor shall hold and save COUNTY and its officers, agents, and employees harmless from liability of any nature or kind, including cost and expense, for or on account of any patented or unpatented invention, process, article, or appliance manufactured or used in the performance of this contract, including its use by COUNTY, unless otherwise specifically stipulated in the contract documents.

Article 30. MATERIALS

Except as otherwise specifically stated in this contract, Contractor shall provide and pay for all materials, labor, tools, equipment, water, light, power, transportation, superintendence, temporary constructions of every nature, and all other services and facilities of every nature whatsoever necessary to execute and complete this contract within the specified time.

Unless otherwise specified, all materials shall be new, and both workmanship and materials shall be of good quality.

Materials shall be furnished in ample quantities and at such times as to insure uninterrupted progress of work, and shall be stored properly and protected as required. Contractor shall be entirely responsible for damage or loss by weather or other causes to materials or work under this contract. No material, supplies, or equipment for work under this contract shall be purchased subject to any chattel mortgage or under a conditional sale or other agreement by which an interest herein or in any part thereof is retained by seller or supplier. Contractor warrants good title to all material, supplies, and equipment installed or incorporated in work, and agrees upon completion of all work to deliver premises, together with all improvements and appurtenances constructed or placed thereon by Contractor, to COUNTY free from any claims, liens, or charges. Contractor further agrees that neither Contractor nor any person, firm, or corporation furnishing materials or labor for any work covered by this contract shall have any right to lien upon premises or any improvement or appurtenance thereon, except that Contractor may install metering devices or other equipment of utility companies or of political subdivisions title to which is commonly retained by utility company or political subdivision. In event of installation of any such

metering device or equipment, Contractor shall advise COUNTY as to owner thereof. Nothing contained in this Article, however, shall defeat or impair the right of persons furnishing material or labor under any bond given by Contractor for their protection or any rights under any law permitting such persons to look to funds due Contractor in hands of COUNTY, and this provision shall be inserted in all subcontracts and material contracts, and notice of its provisions shall be given to all persons furnishing material for work when no formal contract is entered into for such material.

See Comprehensive Specifications for material requirements.

Article 31. SUBSTITUTIONS

Whenever specifications for any material, product, thing, service, or process is indicated or specified by grade, patent or propriety name or by name of manufacturer, such specifications shall be deemed to be used for the purpose of facilitating the description of material, product, thing, service, or process desired, and shall be deemed to be followed by the words "or equal", and Contractor may, unless otherwise stated, offer any material, product, thing, service or process which shall be equal or better in every respect to that so indicated or specified. If the material, product, thing, service, or process offered by Contractor is not, in the opinion of COUNTY and Architect/Engineer, equal or better in every respect to that specified, then Contractor shall furnish the material, product, thing, service, or process specified. The burden of proof as to equality of any material, product, thing, service, or process shall rest with Contractor. Contractor shall only be authorized to substitute any designated material, product, thing, service or process required under this contract if such request, together with substantiating data for substitution of an "or equal" item is timely submitted in accordance with the Calendar of Events set forth under section 19.3 of the "INFORMATION FOR BIDDERS" form and approval thereof is authorized in writing by COUNTY within the time frame set forth under Public Contract Code section 4104.5(a). Notwithstanding, in the event CONTRACTOR discovers after the stated substitution request filing deadline that a designated material, product, thing, service or process is no longer available and/or the use of the same is necessary to complete the project, CONTRACTOR may within thirty (30) days after award of the contract submit a "late substitution request", together with substantiating data for substitution of an "or equal" item for COUNTY's review and consideration. However, COUNTY shall have the sole discretion in granting such a late substitution request and shall not be required to accept the same even if the material, product, thing, service or process is equal or better in every respect.

It should be emphasized that a Contractor's request to substitute an "equal" material, product, thing or service for one designated in the contract specifications and/or COUNTY's subsequent written approval thereof, shall not in any way authorize an extension of time for performance of this contract. Moreover, in event Contractor furnishes a material, product, thing or service that is more expensive than that specified, the difference in cost of such material, product, thing, service or process, so furnished shall be borne solely by Contractor.

Article 32. SHOP DRAWINGS

Contractor shall check and verify all field measurements, and shall submit with such promptness as to cause no delay in Contractor's own work or in that of any other Contractor three (3) copies, checked and approved by Contractor, of all shop or setting drawings, schedules and materials lists required for the work of various trades. Architect/Engineer shall check and approve within ten (10) working days such schedules and drawings only for conformance with design concept of project, and compliance with information given in contract documents. Contractor shall make any corrections required by Architect/Engineer; file with Architect/Engineer three (3) corrected copies, and furnish such other copies as may be needed for construction. Architect/Engineer's approval of such drawings or schedules shall not relieve Contractor from responsibility for deviations from drawings or specifications unless Contractor has in writing called Architect/Engineer's attention to such deviations at time of submission and secured Architect/Engineer's written approval, nor shall it relieve Contractor from responsibility for errors in shop drawings or schedule.

Article 33. SAMPLES

Contractor shall furnish for approval, within ten (10) days following award of contract, all samples as required in specifications together with catalogs and supporting data required by Architect/Engineer. This provision shall not authorize any extension of time for performance of this contract. Architect/Engineer will check and approve such samples, within five (5) working days from receipt of same, only for conformance with design concept of work and for compliance with information given in contract documents. Work shall be in accordance with approved samples.

Article 34. COST BREAKDOWN AND PERIODICAL ESTIMATES

Contractor shall furnish on forms provided by COUNTY:

- (a) Within ten (10) days of award of contract, a detailed estimate giving complete breakdown of contract price.
- (b) A periodical itemized estimate of work done for purpose of making partial payments thereon.
- (c) Within ten (10) days of request by COUNTY, a schedule of estimated monthly payments which shall be due Contractor under the contract.

Values employed in making up any of these schedules will be used only for determining basis of partial payments, and will not be considered as fixing a basis for additions to or deductions from contract price.

Article 35. PAYMENTS

(a) Each month, within fifteen (15) days after receipt of approved periodical estimate for partial payment, there shall be paid to Contractor a sum equal to ninety-five percent (95%) of value of work performed up to last day of previous month, less aggregate of previous payments. Monthly payments shall be made only on basis of monthly estimates which

shall be prepared by Contractor on a form approved by COUNTY and filed before the fifth (5th) day of month during which payment is to be made. Work completed as estimated shall be an estimate only, and no inaccuracy or error in said estimate shall operate to release Contractor or any bondsman from damages arising from such work or from enforcing each and every provision of this contract, and COUNTY shall have the right subsequently to correct any error made in any estimate for payment. Contractor shall not be entitled to have any payment estimates processed or be entitled to have any payment made for work performed so long as any lawful or proper direction concerning work, or any portion thereof given by COUNTY or Architect, shall remain uncomplished with. The final payment of five percent (5%) of the value of work done under this contract, if unencumbered, shall be made thirty-five (35) days after acceptance of work by COUNTY. Acceptance will be made only by action of the Board of Supervisors in session. Acceptance by Contractor of said final payment shall constitute a waiver of all claims against COUNTY arising from this contract. At any time after fifty percent (50%) of the work has been completed, if COUNTY, by action of its governing body, finds that satisfactory progress is being made, COUNTY may make any of the remaining payments in full on actual work completed or may withhold any amount up to five percent (5%) thereof as COUNTY may find appropriate based on the Contractor's progress.

(b) Contractor may elect to substitute or execute an escrow agreement (in the form prescribed by the Public Contracts Code) in place of retained funds held by COUNTY pursuant to Public Contract Code section 22300.

(c) COUNTY shall pay interest at the legal rate set forth in Code of Civil Procedure 685.010 in the event payment is not made within thirty (30) days of an undisputed properly submitted request.

Article 36. PAYMENT WITHHELD

In addition to amount which COUNTY may retain under article entitled "Payments," COUNTY may withhold a sufficient amount of amounts of any payment or payments otherwise due to Contractor, as in COUNTY's judgment may be necessary to cover:

(a) Payments which may be past due and payable for just claims against Contractor or any subcontractors for labor or materials furnished in and about the performance of work on the project under this contract.

(b) Defective work not remedied.

(c) Failure of Contractor to make proper payments to subcontractors or for material or labor.

(d) Completion of contract, if there exists a reasonable doubt that contract can be completed for balance then unpaid.

(e) Damage to another Contractor.

When the above grounds are removed, payment shall be made for amounts withheld

because of them.

COUNTY may apply such withheld amount to payment of such claims or obligations at COUNTY's discretion. In so doing, COUNTY shall be deemed the agent of Contractor, and any payment so made by COUNTY shall be considered as a payment made under contract by COUNTY to Contractor, and COUNTY shall not be liable to Contractor for such payments made in good faith. Such payments may be made without prior judicial determination of claim or obligations. COUNTY will render Contractor a proper accounting of such funds disbursed on behalf of Contractor.

Article 37. CHANGES AND EXTRA WORK

All change orders shall be subject to the Public Contract Code, including but not limited to sections 20137 and 20142, *et seq.*

(a) Change Orders. Contractor shall make no changes to the Work to be performed pursuant to this Agreement, including but not limited to additions, deletions, modifications or substitutions, nor shall Contractor perform any extra work (collectively, "Change Order Work") without the prior written consent of COUNTY. If Contractor encounters conditions it considers different from those described in Exhibit A to this Agreement, Contractor may request a change order in conformance with COUNTY's standard procedure ("Change Order"). If COUNTY approves the request, Contractor will execute a Change Order and Contractor's execution of the Change Order shall confirm approval thereof. COUNTY may order additional work, and Contractor shall perform such changes in the Work as directed by COUNTY in any Change Order prepared by Contractor. COUNTY's rights to eliminate portions of the Work or to initiate a Change Order shall not be limited in any way. The Change Order shall be in writing and shall include:

- (A) Any and all supporting documents and drawings depicting the source and location of the desired change, and explain in detail the field conditions and reasons for the requested change;
- (B) Any change or adjustment to the compensation set forth in this Agreement in Article 3 as a result of changes in the Work based on a lump sum or time and material basis, as may be directed by COUNTY; and
- (C) Any request for adjustments to time for completion of the Project.

(b) Payment for Change Order Work. Contractor shall not be entitled to receive any compensation for work, labor, materials or changes of any kind, regardless of whether ordered by COUNTY or any of its representatives, unless a Change Order has been submitted in writing and approved prior to the commencement of any Change Order Work as described above. If contract is for addition to existing facility, Contractor may, with written permission of COUNTY, use COUNTY's existing utilities by making prearranged payments to COUNTY for utilities used by Contractor for construction.

(b) Contractor shall not be assessed damages for delay in completion of the project when such delay was caused by the failure of the awarding authority of this contract or the owner of the utility to provide for removal or relocation of the existing main or trunkline utility facilities; however, when the Contractor is aware that removal or relocation of an existing utility has not been provided for, Contractor shall promptly notify the awarding authority and the utility in writing, so that provision for such removal or relocation may be made to avoid and minimize any delay which might be caused by the failure to remove or relocate the main or trunk line utility facilities, or to provide for its removal or relocation.

The plan must be accepted by COUNTY (or by a registered civil or structural engineer, employed by COUNTY, to whom authority to accept has been delegated) in advance of excavation. If such plan varies from the shoring system standards, the plan shall be prepared by a registered civil or structural engineer. Nothing in this paragraph shall allow Contractor to use a shoring, sloping, or protective system less effective than that required by California Construction Safety Orders. Further, nothing in this paragraph shall be construed to impose tort liability on COUNTY or any of its employees.

Article 46. PROTECTION OF WORK AND PROPERTY

Any information obtained from such report or any information given on drawings as to subsurface soil condition or to elevations of existing grades or elevations of underlying rock is approximate only and is not guaranteed, and does not form a part of the contract. Contractor is required to make a visual examination of site, and must make whatever tests Contractor deems appropriate to determine underground condition of soil. Contractor agrees that it will make no claim against COUNTY for damages in the event that, during progress of the work, Contractor encounters subsurface or latent conditions at site materially differing from those shown on drawings or indicated in specifications, or for unknown conditions of an unusual nature which differ materially from those ordinarily encountered and generally recognized as inherent in the work of the character provided for in plans and specifications.

3 oral notice. Copies of such documents shall, at no cost to COUNTY, be
4 provided to COUNTY for inspection at CONTRACTOR's address indicated for
5 receipt of notices under this Agreement.

6 **6.8.3.** CONTRACTOR shall surrender all papers maintained by CONTRACTOR
7 pursuant to Subparagraph 6.8.1 of this Agreement within thirty (30) days of

12 until the Work to be performed has been completed in accordance with this Agreement, as determined
13 by COUNTY, and payment in full of all subcontractors of CONTRACTOR has been certified.
14 However, CONTRACTOR may elect to substitute securities or execute an escrow agreement (in the
15 form prescribed by the Public Contracts Code) in place of retained funds held by COUNTY pursuant to
16 Public Contract Code §22300.

19 to COUNTY’s Director of Public Works or his/her designee, a complete and accurate

21 approved by COUNTY. COUNTY shall make no payment prior to the claims being
22 approved in writing by the Director of Public Works or his/her designee.

23 **10.2.** After determining that the claim is a proper payment request, the Director of Public
24 Works, or his/her designee, shall submit to COUNTY’s Auditor/Controller undisputed
25 and properly submitted claims approved for payment within ten (10) days following the
26 date the claim was submitted to his/her Department.

12 **11.1.** CONTRACTOR agrees to the fullest extent permitted by law to indemnify, defend,
13 protect and hold COUNTY and its representatives, officers, directors, designees,
14 employees, agents, successors and assigns harmless from any and all claims, expenses,
15 liabilities, causes of action, demands, losses, penalties, attorneys' fees and costs, in law
16 or equity, of every kind and nature whatsoever arising out of or in connection with
17 CONTRACTOR's negligent acts and omissions or willful misconduct under this
18 Agreement ("Claims"), whether or not arising from the passive negligence of
19 COUNTY, but does not include Claims that are finally determined to be the result of the
20 sole negligence or willful misconduct of COUNTY.

21 **11.2.** CONTRACTOR agrees to defend with counsel acceptable to COUNTY, indemnify and
22 hold COUNTY harmless from all Claims, including but not limited to:

23 **11.2.1.** Personal injury, including but not limited to bodily injury, emotional injury,

25 representatives, officers, directors, designees, employees, agents, successors and
26 assigns, subcontractors and other third parties and/or damage to property of
27 anyone (including loss of use thereof) arising out of CONTRACTOR's
28 negligent performance of, or willful misconduct surrounding, any of the terms

1 contained in this Agreement, or anyone directly or indirectly employed by
2 CONTRACTOR or anyone for whose acts CONTRACTOR may be liable;

3 **11.2.2.** Liability arising from injuries to CONTRACTOR and/or any of
4 CONTRACTOR's employees or agents arising out of CONTRACTOR's
5 negligent performance of, or willful misconduct surrounding, any of the terms
6 contained in this Agreement, or anyone directly or indirectly employed by
7 CONTRACTOR or anyone for whose acts CONTRACTOR may be liable;

8 **11.2.3.** Penalties imposed upon account of the violation of any law, order, citation, rule,
9 regulation, standard, ordinance or statute caused by the negligent action or
10 inaction, or willful misconduct of CONTRACTOR or anyone directly or
11 indirectly employed by CONTRACTOR or anyone for whose acts
12 CONTRACTOR may be liable, including but not limited to:

13 (a) Any loss of funding, penalties, fees, or other costs resulting from
14 CONTRACTOR's failure to adhere to Disadvantaged Business
15 Enterprise requirements and/or goals, as determined by COUNTY or
16 such other lawful entity in charge of monitoring Disadvantaged Business
17 Enterprise compliance;

18 (b) Any loss of funding, penalties, fees, or other costs resulting from
19 CONTRACTOR's failure to adhere to prevailing wage requirements, as
20 determined by COUNTY, the California Department of Industrial
21 Relations, or such other lawful entity in charge of monitoring prevailing
22 wage compliance;

23 **11.2.4.** Infringement of any patent rights which may be brought against COUNTY
24 arising out of CONTRACTOR's work;

25 **11.2.5.** Any violation or infraction by CONTRACTOR of any law, order, citation, rule,

27 health or safety of employees; and

28 ///

1 insurance plan, or any other type of benefit program, plan, or coverage designated for,
2 provided to, or offered to COUNTY's employee.

3 **12.7.** COUNTY shall not withhold or pay, on behalf of CONTRACTOR, any Federal, State,
4 or local tax, including, but not limited to, any personal income tax, owed by
5 CONTRACTOR.

6 **12.8.** CONTRACTOR is, and at all times during the term of this Agreement shall represent
7 and conduct itself as, an independent contractor, not an employee of COUNTY.

8 **12.9.** CONTRACTOR shall not have the authority, express or implied, to act on behalf of,
9 bind or obligate COUNTY in any way without the written consent of COUNTY.

10 **13. INSURANCE.**

11 **13.1.** CONTRACTOR hereby agrees at its own cost and expense to procure and maintain,
12 during the entire term of this Agreement and any extended term therefore, insurance in
13 a sum acceptable to COUNTY and adequate to cover potential liabilities arising in
14 connection with the performance of this Agreement and in any event not less than the
15 minimum limit set forth in the "Minimum Insurance Amounts" attachment to the Plans
16 and Specifications which are incorporated as if set forth fully herein.

17 **13.2. Special Insurance Requirements.** All insurance required shall:

18 **13.2.1.** Be procured from California admitted insurers (licensed to do business in
19 California) with a current rating by Best's Key Rating Guide, acceptable to
20 COUNTY. A rating of at least A-VII shall be acceptable to COUNTY; lesser
21 ratings must be approved in writing by COUNTY.

22 **13.2.2.** Be primary coverage as respects COUNTY and any insurance or self-insurance
23 maintained by COUNTY shall be in excess of CONTRACTOR's insurance
24 coverage and shall not contribute to it.

25 **13.2.3.** Name COUNTY as an additional insured on all policies, except Workers'
26 Compensation, and provide that COUNTY may recover for any loss suffered by
27 COUNTY by reason of CONTRACTOR's negligence.

28 **13.2.4.** State that it is primary insurance and regards COUNTY as an additional insured

1 and contains a cross-liability or severability of interest clause.

2 **13.2.5.** Not be canceled, non-renewed or reduced in scope of coverage until after thirty
3 (30) days written notice has been given to COUNTY. However,
4 CONTRACTOR may not terminate such coverage until it provides COUNTY
5 with proof that equal or better insurance has been secured and is in place.
6 Cancellation or change without the prior written consent of COUNTY shall, at
7 the option of COUNTY, be grounds for termination of this Agreement.

8 **13.2.6.** If this Agreement remains in effect more than one (1) year from the date of its
9 original execution, COUNTY may, at its sole discretion, require an increase in
10 the amount of liability insurance to the level then customary in similar
11 COUNTY Agreements by giving sixty (60) days notice to CONTRACTOR.

12 **13.3. Additional Insurance Requirements.**

13 **13.3.1.** COUNTY is to be notified immediately of all insurance claims. COUNTY is
14 also to be notified if any aggregate insurance limit is exceeded.

15 **13.3.2.** The comprehensive or commercial general liability shall contain a provision of
16 endorsements stating that such insurance:

- 17 (a) Includes contractual liability;
- 18 (b) Does not contain any exclusions as to loss or damage to property caused
19 by explosion or resulting from collapse of buildings or structures or
20 damage to property underground, commonly referred to by insurers as
21 the “XCU Hazards”;
- 22 (c) Does not contain a “pro rata” provision which looks to limit the insurer’s
23 liability to the total proportion that its policy limits bear to the total
24 coverage available to the insured;
- 25 (d) Does not contain an “excess only” clause which requires the exhaustion
26 of other insurance prior to providing coverage;
- 27 (e) Does not contain an “escape clause” which extinguishes the insurer’s
28 liability if the loss is covered by other insurance;

1 (f) Includes COUNTY as an additional insured; and

2 (g) States that it is primary insurance and regards COUNTY as an additional
3 insured and contains a cross-liability or severability of interest clause.

4 **13.4. Deposit of Insurance Policy.** Promptly on issuance, reissuance, or renewal of any
5 insurance policy required by this Agreement, CONTRACTOR shall, if requested by
6 COUNTY, cause to be given to COUNTY satisfactory evidence that insurance policy
7 premiums have been paid together with a duplicate copy of the policy or a certificate
8 evidencing the policy and executed by the insurance company issuing the policy or its
9 authorized agent.

10 **13.5. Certificates of Insurance.** Complete copies of certificates of insurance for all required
11 coverages including additional insured endorsements shall be attached hereto as **Exhibit**
12 **“C”** and incorporated herein as though fully set forth.

13 **13.6. Additional Insurance.** Nothing in this, or any other provision of this Agreement, shall
14 be construed to preclude CONTRACTOR from obtaining and maintaining any
15 additional insurance policies in addition to those required pursuant to this Agreement.

16 **14. WORKERS' COMPENSATION CERTIFICATION.**

17 **14.1.** Prior to the commencement of work, CONTRACTOR shall sign and file with
18 COUNTY the following certification: “I am aware of the provisions of California Labor
19 Code §§3700 et seq. which require every employer to be insured against liability for
20 workers’ compensation or to undertake self-insurance in accordance with the provisions
21 of that code, and I will comply with such provisions before commencing the
22 performance of the work of this contract.”

23 **14.2.** This certification is included in this Agreement and signature of the Agreement shall
24 constitute signing and filing of the certificate.

25 **14.3.** CONTRACTOR understands and agrees that any and all employees, regardless of hire
26 date, shall be covered by Workers’ Compensation pursuant to statutory requirements
27 prior to beginning work on the Project.

28 **14.4.** If CONTRACTOR has no employees, initial here: _____.

1 **15. WARRANTY.**

2 **15.1. One Year Warranty.** CONTRACTOR agrees to provide a one-year warranty for all of
3 its work and component parts and guarantees that all work shall be performed in a
4 professional and workman-like manner and be free from defects. CONTRACTOR
5 guarantees to timely correct all work performed by it under this Agreement which
6 COUNTY determines to be defective in design, material and/or workmanship within a
7 period of one (1) year from the date of the completion of the Work. The warranties set
8 forth in this Agreement shall be in addition to, and not in lieu of, all other statutory and
9 case law warranties and obligations of CONTRACTOR. CONTRACTOR expressly
10 agrees that all warranties made by CONTRACTOR, all obligations under this
11 Agreement and all remedies for breach of such warranties shall survive this Agreement
12 in the event it is terminated or expires for any reason prior to the running of the full
13 warranty periods listed above.

14 **15.2. Materials.** All materials furnished by CONTRACTOR shall be new, manufactured
15 during the current year, of first quality and carrying full manufacturer's warranty.
16 CONTRACTOR shall be responsible for any expiration of manufacturer or other
17 warranties of material or equipment being supplied for this Agreement.
18 CONTRACTOR guarantees that all warranties of material and equipment shall become
19 effective when the project is accepted by COUNTY's Board of Supervisors, not at time
20 of installation by CONTRACTOR.

21 **15.3. Manufacturers' Warranty Information.** CONTRACTOR agrees to promptly provide
22 such information and maintenance recommendations to COUNTY at the inception of
23 CONTRACTOR's work to the extent such information is reasonably available.

24 **16. DEFAULT AND REMEDIES.**

25 **16.1. Default.** In the event that (i) CONTRACTOR files a petition requesting relief under
26 any bankruptcy act, or is adjudged as bankrupt, or makes a general assignment for the
27 benefit of creditors or has a receiver appointed on account of its insolvency, or (ii)
28 CONTRACTOR refuses or is unable, for whatever reason, to supply enough properly

1 skilled workers or proper materials to complete the Project, or (iii) CONTRACTOR
2 fails to follow the directions of COUNTY, or (iv) CONTRACTOR fails to make prompt
3 payment to its subcontractors and suppliers for materials or labor supplied or permits
4 any lien to be imposed upon all or any portion of the Project, or (v) CONTRACTOR
5 disregards any laws or orders of any public or private authority having jurisdiction over
6 the Work or the Project, or (vi) CONTRACTOR fails to perform in accordance with
7 any of the terms of this Agreement or breaches any provision of this Agreement,
8 COUNTY may give notice of such failure or breach to CONTRACTOR, identifying the
9 failure or breach of this Agreement. Should any such failure or breach continue for
10 twenty-four (24) hours after delivery of notice without a good faith effort on the part of
11 CONTRACTOR to commence all necessary corrective action, or should such a breach
12 continue despite CONTRACTOR's efforts for forty-eight (48) hours, then at that time
13 such failure shall be deemed a default by CONTRACTOR under this Agreement and
14 COUNTY shall have all rights and remedies available at law or in equity, including the
15 right to terminate this Agreement. Without limiting its rights and remedies, COUNTY
16 may then proceed as follows:

17 **16.1.1.** Without terminating this Agreement or the obligations of CONTRACTOR
18 hereunder as to all of the Work required to be performed or furnished by
19 CONTRACTOR pursuant to this Agreement, COUNTY may require
20 CONTRACTOR, at CONTRACTOR's expense, to cure such default(s) as may
21 exist in the performance of CONTRACTOR's obligations hereunder within
22 forty-eight (48) hours after such default(s) has/have occurred including but not
23 limited to repairing, replacing and correcting material or Work determined by
24 COUNTY to be defective or not complying with the requirements of this
25 Agreement. Should CONTRACTOR fail to timely repair, replace and/or correct
26 non-complying or defective materials and workmanship or otherwise cure its
27 default(s) hereunder, and in the case of emergencies in which case COUNTY
28 may act immediately if CONTRACTOR is not available or is not responding,

1 and without further notice, COUNTY may make required repairs, replacements
2 and other corrections or otherwise remedy the default by CONTRACTOR
3 pursuant to the subparagraph below.

4 **16.1.2.** Without terminating this Agreement or the obligations of CONTRACTOR
5 hereunder as to all of the Work required to be performed or furnished by
6 CONTRACTOR pursuant to this Agreement, COUNTY may engage another
7 contractor to perform such portion of CONTRACTOR's Work required pursuant
8 to this Agreement or furnish any materials or other items required hereunder as
9 COUNTY in its sole discretion may deem necessary to avoid delay in the progress
10 of the Work, and in connection therewith, COUNTY may perform such Work or
11 any portion thereof itself or have the same performed by others and COUNTY
12 may procure all necessary materials, equipment or other items required for the
13 continued progress of such Work. The costs incurred by COUNTY as a result of
14 engaging another contractor shall be deducted from the compensation payable
15 pursuant to this Agreement and if COUNTY's costs exceed or may reasonably be
16 anticipated to exceed the balance of the compensation due to CONTRACTOR for
17 such work, such excess, or anticipated excess, shall be immediately due and
18 owing from CONTRACTOR to COUNTY and may be withheld from any funds
19 due to CONTRACTOR pursuant to this Agreement or any other agreement.

20 **16.1.3.** COUNTY may terminate CONTRACTOR's right to perform upon written
21 notice and COUNTY shall then have the option of completing the Work or any
22 portion thereof by exercise of its interest under the performance bond issued in
23 favor by CONTRACTOR, or having such Work in whole or in part be
24 completed by others for CONTRACTOR's account. A calculation shall take
25 place at the conclusion of the Project wherein to the degree the sum of
26 COUNTY's costs and any amounts paid to complete the Project exceed the
27 compensation payable pursuant to this Agreement, then any such excess shall be
28 immediately due and owing from CONTRACTOR to COUNTY.

1 **16.2. Damages.** CONTRACTOR shall be liable for all damages suffered by COUNTY by
2 reason of CONTRACTOR's default in any provision of this Agreement and the exercise
3 of COUNTY of its option to terminate this Agreement shall not release
4 CONTRACTOR of such liability. CONTRACTOR shall have no right to receive any
5 further payment after a default has occurred until such time as the Work to be
6 performed by CONTRACTOR pursuant hereto has been completed and accepted by
7 COUNTY and damages suffered by COUNTY, if any, ascertained. Damages shall
8 include by way of illustration, but not of exclusion, COUNTY's costs of completing the
9 Work which exceeds the compensation payable pursuant to this Agreement, other
10 general, liquidated, special or consequential , attorney fees and costs.

11 **16.3. Actions After Default.** Should COUNTY exercise any of its options, remedies or rights
12 granted pursuant to the terms of this Agreement in the event of a default by
13 CONTRACTOR, COUNTY at its sole election may, but shall not be obligated to, use
14 any materials, supplies, tools or equipment on the work site which belong to
15 CONTRACTOR to complete the Work required to be completed by CONTRACTOR,
16 whether such work is completed by COUNTY or by others, and CONTRACTOR
17 agrees that it shall not remove such materials, supplies, tools and equipment from the
18 work site unless directed in writing by COUNTY to do so.

19 **16.4. Limit on Force Majeure Damages.** CONTRACTOR shall not be responsible for
20 repairing or restoring damage to work caused by an act of God in excess of five (5)
21 percent of the contract amount, provided that the work damaged is built in accordance
22 with accepted and applicable building standards and the plans and specifications of
23 COUNTY. In the event of such damage, COUNTY may, at its option, elect to
24 terminate this Agreement. For purposes of this Agreement, an "act of God" shall be
25 defined as an earthquake in excess of 3.5 on the Richter Scale and a tidal wave.

26 **16.5. Resolution of Claims of Three Hundred Seventy-Five Thousand Dollars (\$375,000) or**
27 **Less.** For claims of three hundred seventy-five thousand dollars (\$375,000) or less,
28 COUNTY and CONTRACTOR agree to follow and comply with the mediation,

1 arbitration, claim, civil action procedure and trial de novo provisions set forth in
2 California Public Contracts Code §§20104, 20104.2 and 20104.4.

3 **16.6. No Limitation of Rights.** The options and rights granted to COUNTY herein shall not be
4 deemed as limitations upon the other rights and remedies of COUNTY in the event of a
5 failure of performance or breach by CONTRACTOR, and COUNTY shall be entitled to
6 exercise the rights and remedies hereinabove specified and all other rights and remedies
7 which may be provided in this Agreement or by law or in equity, either cumulatively or
8 consecutively, and in such order as COUNTY in its sole discretion shall determine.

9 **17. NON-DISCRIMINATION.**

10 **17.1.** During the performance of this Agreement, CONTRACTOR and its subcontractors
11 shall not unlawfully discriminate, harass or allow harassment against any employee or
12 applicant for employment because of sex, race, color, ancestry, religious creed, national
13 origin, physical disability (including HIV and AIDS), mental disability, medical
14 condition (cancer), age (over forty (40)), marital status and denial of family care leave.

15 **17.2.** CONTRACTOR and its subcontractors shall insure that the evaluation and treatment of
16 their employees and applicants for employment are free from such discrimination and
17 harassment.

18 **17.3.** CONTRACTOR and its subcontractors shall comply with the provisions of the Fair
19 Employment and Housing Act (Gov. Code §12990 (a-f) et seq.) and the applicable
20 regulations promulgated thereunder (California Code of Regulations, Title 2, Section
21 7285 et seq.).

22 **17.4.** The applicable regulations of the Fair Employment and Housing Commission
23 implementing Government Code §12990 (a-f), set forth in Chapter 5 of Division 4 of
24 Title 2 of the California Code of Regulations, are incorporated into this Agreement by
25 reference and made a part hereof as if set forth in full.

26 **17.5.** The applicable regulations of Section 504 of the Rehabilitation Act of 1973 (29 U.S.C.
27 §794 (a)) are incorporated into this Agreement by reference and made a part hereof as if
28 set forth in full.

1 **17.6.** CONTRACTOR and its subcontractors shall give written notice of their obligations
2 under this clause to labor organizations with which they have a collective bargaining or
3 other agreement.

4 **17.7.** CONTRACTOR shall include the nondiscrimination and compliance provisions of this
5 clause in all subcontracts to perform Work under this Agreement.

6 **18. DISADVANTAGED BUSINESS ENTITY COMPLIANCE.**

7 **18.1.** CONTRACTOR and its subcontractors shall reference and abide by the guidance and
8 Disadvantaged Business Enterprise (“DBE”) specifications contained in the California
9 Department of Transportation’s Local Programs Procedures 06-01 (which has been
10 approved and released at (<http://www.dot.ca.gov/hq/LocalPrograms/>) when working
11 pursuant to this Agreement.

12 **18.2.** CONTRACTOR represents and warrants that is has fully read the applicable DBE
13 requirements pertaining to this Project and has fully and accurately completed any and
14 all required DBE forms.

15 **18.3.** CONTRACTOR represents and warrants that it will comply with all applicable DBE
16 requirements for this Project.

17 **18.4.** CONTRACTOR shall comply with the applicable DBE provisions attached hereto as
18 **Exhibit “D”** and incorporated by this reference as though fully set forth herein.

19 **18.5.** If any state or federal funds are withheld from COUNTY or not reimbursed to
20 COUNTY due to CONTRACTOR’s failure to either comply with the DBE
21 requirements set forth in the RFP and this Agreement, or to meet the mandatory DBE
22 goals as determined by COUNTY, Caltrans, the Federal Highway Administration,
23 and/or any other state or federal agency contributing funds to the Project, then
24 CONTRACTOR shall fully reimburse COUNTY the amount of funding lost.
25 COUNTY reserves the right to deduct any such loss in funding from the amount of
26 compensation due to CONTRACTOR under this Agreement.

27 **18.6.** In addition to the above, CONTRACTOR’s failure to comply with DBE
28 requirements/goals shall subject it to such sanctions as are permitted by law, which may

1 include, but shall not be limited to the following:

2 **18.6.1.** Termination of this Agreement;

3 **18.6.2.** Withholding monthly progress payments;

4 **18.6.3.** Compensatory, special, incidental, liquidated and other damages; and/or

5 **18.6.4.** Designation of CONTRACTOR as “nonresponsible,” and disqualification from
6 bidding on future public works projects advertised by COUNTY.

7 **19. PREVAILING WAGE.**

8 **19.1.** CONTRACTOR and its subcontractors shall pay all workers employed on the Project
9 the higher of either the rates determined by the Director of the California Department of
10 Industrial Relations (“DIR”) or, when applicable, the Davis-Bacon Federal wage rates
11 as supplemented by the Department of Labor regulations. The Davis-Bacon Federal
12 wage rates are attached to the RFP. Copies of the State prevailing rate of per diem
13 wages are on file with the Department of Industrial Relations, Division of
14 Apprenticeship Standards, 445 Golden Gate Avenue, San Francisco, California, and at
15 COUNTY’s Department of Public Works, and are available to CONTRACTOR and any
16 other interested party upon request. CONTRACTOR shall post the prevailing rate of

24 on any bid proposal for a public works project (submitted on or after March 1,
25 2015) unless registered with the DIR pursuant to Labor Code section 1725.5.

27 provided under Labor Code Section 1771.1(a) applies.

28 **19.3.3.** CONTRACTOR and its subcontractors acknowledge that they shall not be

1 awarded any contract for public work on a public works project (awarded on or

11 committed in the course of the execution of this Agreement, and shall promptly
12 report any suspected violations to the Labor Commissioner.

13 **19.4.2.** If CONTRACTOR determines as a result of its own investigation that there has
14 been a violation of Chapter 1 of Part 7 of Division 2 of the California Labor
15 Code and withholds payment to CONTRACTOR, the procedures in California

17 **19.4.3.** CONTRACTOR may bring an action in a court of competent jurisdiction to

28 (b) COUNTY received actual written notice from the Department of

1 Industrial Relations that the Work is a “public work,” as defined in
