**ADDENDUM NO. 2**

**DECEMBER 9, 2021**

This *ADDENDUM* is hereby made part of the Contract Documents and specifications to the same extent as if originally included therein, and shall be signed by the Respondent and included with the proposal.

**This addendum addresses the need for clarification and changes to the current RFP.**

- Item 1: The deadline for submission is extended from Monday, December 13, 2021 to Monday, December 20, 2021 for all methods of submittal.
- Item 2: This clarification refers to Section VIII – Proposal Submittal. Within this section the Department makes mention of the two methods of proposal submittal. Respondents have the option of choosing whether they would like to submit their proposals in person, mail, or electronically. Either method will be accepted as long as proposals are submitted no later than Monday, December 13, 2021 at 4:00 p.m.
- Item 3: This clarification refers to Section VIII – Proposal Submittal. This section specifies “*all cost / fees proposed must accompany proposal within a separate sealed envelope*”. To clarify, the Department is requesting that respondents who submit their proposal in person or by mail submit their proposed cost / fees within a separate sealed envelope. However, if respondents opt to submit their proposals electronically, the cost / fees should also be submitted electronically as a separate document within the same email.

The Consultant is responsible for advising any and all subconsultants of this change. Each Respondent must acknowledge receipt of this addendum in the noted space below and must be attached to the proposal.
