COUNTY OF IMPERIAL PUBLIC WORKS

First Avenue Improvements from Winterhaven Dr. to Arnold Rd, Winterhaven, California; County Project No. 7002

ADDENDUM NO. 1

January 31, 2023

This *ADDENDUM* is hereby made part of the Contract Documents and specifications to the same extent as if originally included therein, and shall be signed by the Bidder and included with the proposal.

1. **Question:** "While we have the Road closed for Dig Outs, will we be allowed to grant Local Residence access across dirt roads?"

Response: See Section 12 **TEMPORARY TRAFFIC CONTROL** "Road shall remain open to traffic at all times. Legal and safe access shall be provided and maintained to all properties throughout the construction period as required. Access shall accommodate emergency safety vehicles as required."

County does not allow use of any private access roads or road shoulders. A Traffic Control Plan, prepared and signed by a Civil Engineer, registered in the State of California, shall be provided by the contractor for the County's review and approval to address all traffic control and construction area signs within project limits including all signage requirements by the Encroachment Permit. Please refer to Section 7 **LEGAL RELATIONS AND RESPONSIBILITY TO THE PUBLIC** for public safety.

John A. Gay, P.E.,
Director of Public Works
