ADDENDUM NO. 2

MAY 24, 2023

This ADDENDUM is hereby made part of the Contract Documents and specifications to the same extent as if originally included therein, and shall be signed by the Respondent and included with the proposal.

Item 1: License Requirements
The Contractor shall possess a California Contractors A or B license at the time this contract is awarded.

Item 2: Project Estimate
The estimated cost for each lot clean-up is \$30,000. The overall project cost estimate for lots 715, 716, and 717 is \$90,000.

Question 1: Can you please clarify if the IID will be replacing the electrical wires to each pedestal. Is there power still live at the pedestal?

Response: Contractor shall be responsible for replacing the electrical wires to the pedestals. There is no power at the pedestal.

Question 2: There appears to be a phone pedestal on site. Will there be any repairs to it?

Response: No repairs are required to the phone pedestal

Question 3: The water is still turned on at the existing spigot. Is there a way to shut the water off to repair?

Response: Before the commencement of any repairs, the contractor shall coordinate with the RV park maintenance personnel to shut the water off as there is no shut off valves on that section of the RV Park.

The Contractor is responsible for advising any and all subcontractors of this change. Each bidder must acknowledge receipt of this addendum in the noted space below and must be attached to the proposal.
