This *ADDENDUM* is hereby made part of the Contract Documents and specifications to the same extent as if originally included therein, and shall be signed by the Bidder and included with the proposal.

1. Is an Exhibit 10-H required due to federal funding?  
Yes. Brandt Road Bridge is currently being funded with US DOT Cycle 2 Community Project Funding/ Congressionally Directed Spending program and local funds.
  
2. At the end of page 4 of the RFP, it is stated that "Final selection shall be by both County and Caltrans local Assistance and Structures, as required." Yet in the second-to-last paragraph on page 5 of the RFP, it's stated that "while the design procedures shall follow Caltrans design guidelines, the Caltrans District 11 office and Caltrans HQ will not be involved in the design or permitting process." Will the County clarify Caltrans' involvement and role in this project?  
The Department will be completing this project in compliance with federal requirements. Consultants will be required to coordinate with Caltrans in the selection of the preferred alternative.
