IV. New Business

A. Traffic concerns from Law Enforcement Agencies

Mr. Mistriel discussed the storm damage throughout the valley. He continued saying that Sheriff's Department had met with San Pasqual School District representatives and stated that they were interested in getting a crosswalk painted where one currently did not exist along with some missing "School Zone" signs. Mr. Mistriel stated he would send contact information to Mr. Olmedo.

B. Traffic concerns from Engineering Agencies

Mr. Olmedo stated that the Department of Public Works would be preparing a request for proposals (RFP) for a traffic study to designate an alternate truck route for commercial vehicles travelling from the Calexico East Port of Entry to the west side of Calexico. There have been complaints along the designated truck route, Cole Road, in the city of Calexico primarily because of the amount of residences in the area. Mr. Mistriel stated the RFP should be sent to him as he's responsible for the south end of Imperial County.
